

## MASFAP HAS A NEW COMMITTEE

The mission and goal of the “Newcomer’s Welcome Committee” is to work directly with enhancing the Program of MASFAP, as well as, reaching and welcoming a target audience new to the MASFAP community.

Our committee has numerous ideas on how to direct the commitment of MASFAP to the newcomer. Many of the ideas you will soon see as the year progresses. We began in 2001 with the Newcomer Session at the Spring, 2001 conference, followed by a tour of the lodge, which was a big hit! We presented each newcomer with a MASFAP portfolio and pen at the Newcomer reception that was held in the President’s suite.

We will also begin a telephone campaign, in which several committee members will be charged with the assignment to introduce MASFAP to the newcomer and deliver a binder that we are building, compiled with a tremendous amount of information tailored to someone new in financial aid. Quarterly we will be calling your offices to find out if you have anyone new to financial aid in your office. We hope to take an active role in welcoming that person to the MASFAP community. We need your help. If you have a New employee, please let us know, so that we may “welcome” them to our MASFAP family.

I would like to introduce my committee members:
