MASFAP is going to offer 12 member schools the chance to be a part of the 2nd transparency in financial aid offers cohort. We heard incredible feedback from the institutions who did this last year so don't miss this opportunity! To apply to be a part of the 2nd cohort, someone from your institution must attend the P.D. webinar with uAspire on February 17!

Being a part of the 2nd cohort offers your institution:

- Small cohort of 12 institutions
- Customized recommendations tailored to your institution and your offer letter
- One-on-one session with uAspire and team time with the cohort to discuss your recommendations (attendance required; date in April to be determined with cohort input)
- Ongoing coaching from uAspire as you work to implement the recommendations

Participation is limited to 12 institutions and there is a short application that will be sent to those who attend the February 17 webinar.

STAY TUNED as various P.D. events will be announced soon including NASFAA credentials, town hall and a variety of training and development sessions!
