Take Our 5-Second Survey!

HEY YOU, YEA YOU

The new FAFSA rollout has been a rollercoaster for FAOs, as well as high school counselors, access providers and MOST of all STUDENTS and families. We want

to see how YOU are doing. Check-in with 1-5 words describing how you are feeling about the FAFSA rollout.

Survey: <https://www.surveymonkey.com/r/MASFAPHowAreYou>

We will share the results in a word cloud next week so you can see how your colleagues are feeling! Remember we are all in this together!

First 2024 Board Meeting

In January, President Mathew Kearney hosted the first MASFAP Board Meeting of the year. Get excited about the upcoming year of MASFAP!
