MDHEWD's Journey to College Update—Register Now

Register now to attend Virtual Journey to College Day and host 2020-2021 Journey to College programs

The Missouri Department of Higher Education & Workforce Development's Journey to College initiative works to increase college access and affordability and help Missouri students plan for the future. Our annual Journey to College Day will be held virtually on Tuesday, July 28, from 9:00-11:30 a.m. and 1:00-3:00 p.m. with a break for lunch. View the agenda at <https://dhewd.mo.gov/ppc/journeystocollegeprograms.php> and visit <https://surveys.mo.gov/index.php/197481> to register for the event.

The Journey to College programs support high school counselors and college access professionals in helping students prepare for the future:

- Apply Missouri - helps students find the “best fit” for higher education and provides time during the school day for seniors to submit college applications.
- FAFSA Frenzy - provides free one-on-one assistance to help students and their families fill out the Free Application for Federal Student Aid, commonly known as the FAFSA.
- Decision Day - encourages seniors to finalize their plans for the future. It encourages and reminds students that it is time to make a decision, assists students who have not yet finalized their plans, and fosters a college-going culture.

Site coordinators hosting Journey to College events will receive free support materials including a resource manual full of sample activities and best practices for hosting successful events along with opportunities for networking, collaboration, training, and college access updates. Journey to College participation promotes a more equitable experience for all of Missouri's high school students by providing a framework all schools can implement. The events are unique to each school but the information and opportunities provided are the same for every student.

Registration is now open to host your 2020-2021 Journey to College events at <https://surveys.mo.gov/index.php/146216>. Missouri's high schools may register to host one, two, or all three events. Postsecondary schools, community groups, and other college access organizations may register to host a FAFSA Frenzy event.

Learn more about Journey to College at <https://dhewd.mo.gov/ppc/journeystocollege.php>. If you have questions, please email journeystocollege@dhewd.mo.gov.
