MDHEWD's Journey to College and J2C Programs—Register Now

The sixth annual Journey to College Day will be held in person on Tuesday, July 20, 2021. This free event will take place from 9 a.m. to 2:30 p.m. in Room 450 of the Governor Office Building, 200 Madison St., Jefferson City, MO 65101. Box lunches will be provided. The Journey to College programs support high school counselors and college access professionals in helping students prepare for the future:

- Apply Missouri - helps students find the “best fit” for higher education and provides time during the school day for seniors to submit college applications.
- FAFSA Frenzy - provides free one-on-one assistance to help students and their families fill out the *Free Application for Federal Student Aid*, commonly known as the FAFSA.
- Decision Day - encourages seniors to finalize their plans for the future. It encourages and reminds students that it is time to make a decision, assists students who have not yet finalized their plans, and fosters a college-going culture.

Registration is now open to host your 2021-2022 Journey to College events at <https://surveys.mo.gov/index.php/146216?lang=en>. Missouri's high schools may register to host one, two, or all three events. Postsecondary schools, community groups, and other college access organizations may register to host a FAFSA Frenzy event.

Site coordinators hosting Journey to College events will receive free support materials including a resource manual with sample activities and best practices for hosting successful events.
